### STRETCHED CANVAS & FLOAT FRAME PACK

All Outside the square canvases are stretched on a 38mm deep quality pine stretcher bars with corner braces and cross braces where necessary. We use 11oz triple primed cotton with a fine weave - it's a fantastic surface.

Float frames are made with raw Australian Oak - Australian Oak is freely available and is continuously harvested. It is considered to be sustainably managed as the species are sourced and processed in Australia from certified native forest plantations. It also meets the Australian Forestry Standard and the Chain of Custody Certifications.

Unfortunately we can only supply frames on their own if you can collect from Geelong or Moorabbin VIC.
